

Freshman Application Process

Early Application - Deadline January 11, 2021

Mount St. Mary High school has an Early Application process for incoming 9th grade families who would like their child to be considered for early acceptance and enrollment at The Mount.

An application will be considered for the Early Application Process when the application has been submitted online and the \$100 early application fee has been paid. The Early Application deadline is: 3:00 p.m. on January 11, 2021.

Applications meeting the Early Application criteria will be reviewed, and letters of acceptance will be mailed to students in February. Applications submitted after 3:00 p.m. on January 11, 2021 will result in the application reverting to the General Application process.

General Application - Opens January 12, 2021

Mount St. Mary will gladly accept applications for admission which do not meet the Early Application process. A general application does not require a deposit.

Submitted applications will be reviewed for acceptance the first week of each month (March-July) until the class is at full capacity.
