Before your family applies to Mount St. Mary Catholic High School, we suggest going through this checklist before you sit down to apply.

Application Checklist:

___ Allow yourself (parent and student) a total of 30-45 minutes to sit down and complete the online application in one sitting from any internet browser. Only one application can be submitted per student. You can save and come back to the application before final submission.

___ Please have the name, title, and email address of one teacher or administrator from your current school to receive a recommendation form that will be completed and sent to Mount St. Mary Catholic High School.

___ If applicable, please have all IEP or psycho-educational records in PDF digital format. These items will need to be uploaded when submitting the application.
